AT LAVIT, WE BELIEVE GREAT TASTING BEVERAGES CAN BE HEALTHY FOR YOU AND THE PLANET

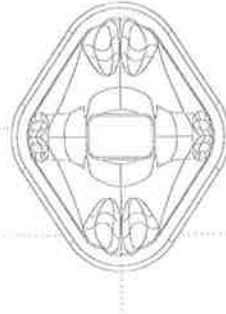

Lavit is revolutionizing single-serve cold beverages with our recyclable capsule designed to work in Lavit beverage dispensers. Replacing your water cooler with Lavit lets your employees choose plain still water, plain sparkling water, or

still or sparkling beverages. Beverages come in 33 different flavors, including many from leading beverage brands. All are free of preservatives, and are naturally low in sugar and calories.

Zero Preservatives

No or Low Sugar

100% Recyclable

1/7th the Aluminum
of a 12 oz Can

Uniquely Designed to Work in Lavit Dispensers

drink, eco
